Your Medical Center Bill

The Medical Center lists charges for the use of the facility and equipment, medical supplies, and staff. **Physician bills are NOT part of your hospital bill.** You will be sent a separate bill by your personal physician or surgeon, anesthesiologist, emergency department doctors, radiologists, laboratory pathologists and physicians who interpret cardiac or pulmonary studies. Please direct questions about doctor's bills to that doctor's office or billing service. If your insurance plan was not billed, please call 814.234.6171 or 866.686.6171.

For cash paying patients (no insurance coverage, orthognathic surgery, cosmetic surgery), Mount Nittany Medical Center will try to give a close estimate of fees and make payment arrangements. Please contact Emmy Walk or Robin Hamer at 814-231-7084.
